RECONSTRUCTING THE PAST

Walk through this doorway and enter a world of Stone Age houses. It is a replica of House 1, the best preserved of all the houses in the village.

House 1 is 1,000 years old and is made of stone. It is a replica of the original house, which was made of stone and thatch. The house is built on a raised platform and has a central hearth. The house is built on a raised platform and has a central hearth.
